

## **CORT Destination Services**

As you prepare to begin your coursework at Concordia University, you might need assistance finding housing in Minnesota. One option to help you with this transition is CORT Destination Services. CORT provides personalized rental housing locating assistance and their services are free of charge.

CORT's services include:

- An in-depth needs analysis to determine what you are looking for in your new home
- A personalized web-page, with listings selected specifically for you based on your needs
- Details on housing availability and special offers
- Appointment scheduling at the residences you choose to visit
- Detailed maps and directions to your appointments
- Furniture rental
- Destination Services (available upon request for a nominal fee).
  - Destination services include agent-guided housing tours, as well as other settling in services that may be needed.
